You'll find all the comforts you need in our Dover floor plan. This 2 bedroom, 2 bath home with den, or 3 bedroom option, offers an array of features, including sliding glass doors in the dinette, living room and master suite areas that lead to the under roof lanai, an additional family room option, and beautiful entertainment center option. This well thought out design is open and airy - perfect for a growing family or those that want plenty of space.
